

NEED SOME EXTRA HELP? FREE TUTORING IS AVAILABLE!

Tutoring and Learning Center (TLC) provides **free tutoring** to **TMCC students** in several subject areas, including:

BIOLOGY • CHEMISTRY • MATH • WRITING •
FOREIGN LANGUAGES • PHYSICS • AND SO MUCH MORE!

Don't forget about our Fine Focus Learning lab! It's a dry lab that gives students hands-on access to human anatomy models and microscopes.

LOCATION

Learning Commons, Dandini Campus

HOW TO MAKE A TUTORING APPOINTMENT

1. Log into **tmcc.accudemia.net** with your TMCC username and password.
2. Find the "Upcoming Appointments" section on the top-left and click "New Appointment."
3. A message will appear explaining both the different types of tutoring currently offered and how to prepare for an appointment. Read carefully, then click "Close."
4. Choose the desired service / type of tutoring.
5. Choose the course you would like to receive tutoring for.
6. After narrowing down the options, choose an appointment slot.
7. Add any relevant notes or attachments and confirm the appointment.
